Section 2: MISSION & COMMUNITY SERVED

Mission Statement: Easter Seals' mission is to provide exceptional services to ensure that all people with disabilities or special needs and their families have equal opportunities to live, learn, work and play in their communities.

Has the Mission Statement been reaffirmed in the past year (*RSA 7:32e-1*)? Yes

Please describe the community served by the health care charitable trust. "Community" may be defined as a geographic service area and/or a population segment.

Service Area (Identify Towns or Region describing the trust's primary service area):

Easter Seals NH maintains an active, visible presence throughout the State, operating 90+ programs at more than 20 facilities and services scattered throughout the geographic footprint of our service area. We currently offer both facility and community based care from offices or programs in the following cities: Lancaster, Gilford, Gilmanton Iron Works, Lebanon, Bow, Concord, Keene, Merrimack, Manchester, Dover, Nashua, Salem, Stratham and Franklin.

Service Population (Describe demographic or other characteristics if the trust primarily serves a population other than the general population):

Easter Seals New Hampshire exists to serve children and adults with disabilities, injuries and other special needs. Through the provision of a wide array of rehabilitative, medical and social services, the organization helps its clients to live, learn and work independently in their communities across the state of New Hampshire. Since its inception in 1936, Easter Seals has developed a strong community presence and has been instrumental in establishing the industry standard of care for health and social services in New Hampshire. Easter Seals services include: inclusive child care and early intervention, special education, medical rehabilitation, camping and recreation, transportation services, dental services, vocational services, senior services, adult day care programs, alcohol and substance abuse treatment services, a broad range of residential service options, and veterans' services. Easter Seals collaborates with a host of community organizations and stakeholders in order to maximize the use of existing resources from which those we serve could benefit.

Please provide a description of the methods used to solicit community input on community needs (attach additional pages if necessary):

Easter Seals used information on unmet community needs gathered for the development of the Greater Manchester Community Needs Assessment in the development of our plan, updated in 2013. A full copy of this document can be accessed via the internet at www.manchesternh.gov/Departments/Health/PublicHealthData/ReportsandDocuments.aspx. Additionally, we used information gathered at community forums and surveys completed by individuals who currently receive an Easter Seals service.
